

Estancia Schools' Before School Care Program 7:45 – 8:30 a.m.

In order to accommodate our working parents, Estancia Municipal School District will be hosting a before-school care program in Van Stone. Parents must register their students in advance so the District may have enough staff on hand to supervise. Once your student/s are on the list, they may be dropped off at Van Stone between 7:45 and 8:25. Students will be taken to breakfast at 8:30.
